APRIL 2024

Vol. 48 No. 4

## PASTOR'S PARAGRAPH

April is upon us. Usually that means Easter is coming. But we already have celebrated the resurrection this year with an early Easter! Warmer weather also starts happening, but that has been happening on and off since, well ever. So then what makes April so special this year?

Well I could begin by making a good joke, because who doesn't love April Fool's Day? But I won't do that. We don't have to have anything special going on to have a special time. We don't need a holiday or some big event to make our time holy. So this month what I encourage us all to do is find those moments. Find those moments that when everything seems slow and we are just waiting for the next big thing, use those times to actually draw closer to God. For it is in the every day that God can show us who he truly is.

He can show up and use us at any time. We don't need a reason, holiday, or anything else to draw us closer to him. And if we do that, then maybe April will end up being special after all.

This month in worship we will be looking at two very related post resurrection moments. The first is the religious leaders response to the empty tomb. We will be looking at how they responded to this news that Jesus has been raised from the dead. The second week of April we will be looking at Paul's comments on who Jesus appeared to after the resurrection. What will these two weeks teach us how to live in a post-resurrection world?

The third Sunday of April we will be looking at that famous story between two brothers. Cain and Abel. What a pair those two made.

And then finally on the fourth Sunday of April we will be having our Parent-Child Dedication Service. You don't want to miss being a part of this special moment between child, parent, and church.

So what will you do to make this month special? How will you draw yourself closer to God?

Grace and Peace,

*David*

April is my second favorite month...after December! It just feels like the Earth has come alive again! Growing up it was my second favorite month because it's my birthday month! There was nothing like your birthday when you were younger....the parties, gifts, my Mama's famous pound cake covered in her yummy frosting and Daddy always gave me a box of Russell Stover Turtles!

This birthday month means I've reached that Medicare age! As I have gotten older I find that I still love my birthday! It's not the parties and gifts anymore (but I would do anything to have another one of my Mama's delicious cakes or Daddy's gift of the Turtles)....it's the fact that I am blessed to celebrate another year on this beautiful Earth. I am blessed to have another year with Jimmy watching our children as parents, our grandchildren enjoying life, and being a part of this Church family.

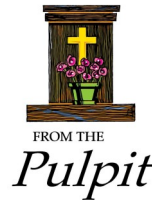

The white hair has come along with a few aches and pains but I am always reminded of God's love, no matter what age I may be celebrating!

"I will be your God throughout your lifetime—until your hair is white with age. I have made you and I will carry you; I will sustain you and I will rescue you." Isaiah 46:4

## MISSION MOMENTS

Happy Spring!! Warm weather brings out the best in people. There are smiles and hugs everywhere. Happy Christians are just as beautiful as the flowers that are starting to brighten our world.

Missions is something we do. Missions is showing how much we care. Missions is sharing and caring. There are many ways to "do" missions in our church, community and world. Smile at that stranger and say "Hello!" like you mean it. Send a card to someone you haven't seen in a while. Call a shut-in or better yet, go visit. Mission is caring and you are the one.

Our Children's Carnival is next month, **May 18<sup>th</sup>**. We will need all hands on deck to make it a fun, loving day for our children. We will need lots of workers the day before and the day of the carnival. There are easy jobs - giving smiles and there are fulfilling jobs - playing "Go Fish" in the hot sunshine. We need your ideas and help. This is an important day in the life of our church. It is one way we "Do" Missions.

Don't forget to collect those new and nearly new books to give to our children. It is always a special place at our carnival as children pick out a book or two that becomes theirs.

Happy Spring!!

"We will be receiving offerings for NC Baptist On Mission this month which shares the love of Christ with people going through crisis. Our church has participated in hurricanes, tornadoes and flooding disasters. NC Baptist on Mission travels outside our boundaries from helping people after Hurricanes to helping refugees from Ukraine. Please help with your prayers and gifts."

## BABY DEDICATION

On Sunday, **April 28<sup>th</sup>**, during our 11:00 A.M. worship we will be having baby dedication. Over the past year, we have had a wonderful influx of new life in our church and it is time to celebrate these births. We are so pleased to be dedicating these babies into the life of our church as we call the parents, congregation, and children to pray for and lead these new children into knowing Jesus.
